6th November 2023

Dear parents,

We are delighted to announce the Grade 2 Annual Sports Day dedicated to the ‘**Year of Sustainability**’, under the theme ‘**Today for Tomorrow**’, scheduled for **November 16th, 2023**. This event is not only a celebration of good health but also a commitment to sustainable living. Through sports and activities, we aim to inspire our students to prioritize their physical well-being while nurturing an eco-conscious mindset.

Sports Day holds great significance as it offers our students a platform to demonstrate their physical and mental capabilities, while also fostering qualities like teamwork, leadership, and sportsmanship. You can envision your child participating in various activities that challenge their agility, speed, and ability to work together.

For all students, it will be a regular school day. Our aim is to seamlessly integrate the excitement of the sports meet into the daily academic routine, ensuring your child enjoys a well-rounded educational experience.
