**Learning through the Waters of Dubai**

---

Dear Parent,

As part of our expeditionary learning program in Social Studies, we are excited to offer our students a unique and enriching experience through **Marine Transport in Dubai**. This educational journey will not only be fun but also provide valuable insights into the vital role and history of marine transport in this beautiful city of Dubai.

**Educational Enrichment:**

During this expedition, students will have the opportunity to explore the fascinating world of marine transport using traditional Abra boats. These boats have been an integral part of Dubai's history, and this trip will allow your children to connect with the past while enjoying the top tourist attractions in the city.

**Safety First:**

We understand that safety is a top priority for you as parents. Rest assured; our experienced staff will ensure that all trips are conducted with the highest safety standards. Life jackets and safety briefings will be provided to all participants, ensuring a secure and enjoyable learning experience.

**Environmental Awareness:**

In addition to learning about marine transport, our trips also incorporate important discussions about the significance of preserving our waterways and marine ecosystems. We believe in fostering a sense of responsibility and sustainability in young minds, and this expedition will contribute to raising awareness about environmental conservation.

We encourage you to support your child's participation in this expeditionary learning experience, as it promises to be an educational adventure that they will cherish and remember for years to come. After the expedition, students will reflect independently on their learning experiences, a crucial part of our Social Studies Curriculum. The trip will commence from 14<sup>th</sup> November 2023 onwards. The class teacher will share further details about the trip and the date assigned to your class. We kindly request your child's participation, and the fee is **AED 40**, payable online. The payment must be made on or before **13<sup>th</sup> November 2023, Monday**. Please [click here](#) for the steps for registration and payment for the trip.

Thank you for your trust in our educational initiatives. We look forward to providing your child with a memorable educational journey through the waters of Dubai.

Warm regards,

Asha Alexander
