CIRCULAR

14th November 2023

Field trip – Discover, Learn, Sail: KG2's Waterside Journey into 'Life is BOATiful'.

Dear Parents,

We are excited to announce another fantastic learning opportunity for our KG2 students as we continue to explore our current **Enquiry Theme – 'Life is BOATiful'**. In our pursuit of broadening their understanding of transportation, we are excited to offer our students a unique and enriching experience through Marine Transport in Dubai. This educational journey will not only be fun but also provide valuable insights into the vital role and history of marine transport in this beautiful city of Dubai, where they will have the chance to observe and ride on a safe and covered boat. This educational outing will be scheduled in the last week of November for 3 days.

The trip will include guided tours, hands-on learning opportunities, and opportunities to observe and appreciate Dubai's local waterways and ecosystems.

This boat trip complements our curriculum by providing students with the opportunity to explore and learn about marine life, aquatic environments, and the importance of water conservation. It will also promote teamwork, social interaction, and a love of nature and science.

Kindly note that students who wish to join the field trip must make a payment of **AED 40 /-** on or before **24th November 2023**, as the trips will be planned from 27th November onwards. Any payments made after the 24th of November, will not be accepted due to logistic reasons. Please [click here](#) for the steps for registration and payment for the trip. The class teacher will share further details about the trip and the date assigned to your class.

Please send the following with your child on the day of the trip.

- Water bottle and dry snacks.
- Students must wear a white T-shirt and P.E. pants, comfortable footwear and bus card.

We look forward to our students making the most of this opportunity

Warm regards,

Asha Alexander
