CIRCULAR
Virtual Open House – Grade 1

15th November 2023

Dear parents,

As we approach the conclusion of the second term of this academic year, we have been diligently monitoring the impact of teaching and learning on student outcomes and well-being. To review and discuss the progress of your child, we have organized a **Virtual Open House for Grade 1** on the **29th and 30th of November, 2023** after school hours. It's important to note that Grade 1 will have regular school on both days.

Your child's class teacher will communicate the specific time slot for the meeting via email, along with the virtual meeting link for your participation. On the **28th of November**, you will be able to access your child's report online. However, it is essential to be aware that access to the report will be granted only after all outstanding fees (including tuition fees, e-resource fees, and pending transport fees) are settled.

Please adhere strictly to the time slots provided by the class teacher. If you have any specific issues or queries, you would like to discuss in detail, you can email your child's class teacher or the supervisor. We will schedule a separate meeting at a mutually convenient date and time.

We appreciate your unwavering support, constructive feedback, and strong partnership in your child's learning journey.

Thanks for your support and cooperation.

Warm regards,

Asha Alexander
