H.O.P.E. (Helping Out Possibly Everyone)- T-shirts

Dear parent,

We are excited to share with you the ongoing **H.O.P.E. Campaign (Helping Out Possibly Everyone)** at GEMS Legacy School, a unique initiative with the core aim of fostering a world sustained on the ideals of hope.

The H.O.P.E. Campaign is intricately woven into our empathy curriculum, encouraging both our staff and students to embark on a daily journey of hope-bearing actions. We believe that it's the small, everyday gestures that hold the power to forge lasting friendships and solidify meaningful connections. Actions within the H.O.P.E. Campaign can take various forms, ranging from teaching someone something new for their self-improvement, sharing a meal, guiding or mentoring a fellow student, performing a good deed without expecting anything in return, expressing gratitude, to providing emotional support to an acquaintance in need.

To visually symbolize our commitment to spreading hope, we have introduced the H.O.P.E. t-shirt, featuring the campaign logo. These distinctive shirts are a proud part of the student uniform and staff attire every Friday. It's a symbol of our collective commitment to creating a more compassionate and hopeful world.

For all new admission students, **H.O.P.E. t-shirts are available for purchase** at the **Threads store in Burjuman Mall**. We encourage you to acquire these distinctive t-shirts, as it is an integral part of our school community's commitment to spreading hope and kindness. We'd like to acknowledge that our existing students have already purchased a H.O.P.E. t-shirt. However, if your child has outgrown theirs or if you wish to acquire an additional one, you can also make a purchase at the store.

If you have any inquiries regarding the purchase of H.O.P.E. T-shirts, please email the Threads store at support@threadsmc.com

We look forward to all parents, students, staff, and management becoming an integral part of the H.O.P.E. campaign.

Warm regards,

Asha Alexander
