Update on UAE National Day Holiday

Dear parents,

Kindly ignore the previous Circular 754-23 and Circular 757-23 dated 22nd November 2023. Please note that **Friday, 1st December 2023, is not a holiday**. As directed by KHDA, please note that on **1st December** we will be conducting **online classes** as per the Friday timetable.

As declared in the national newspaper, **Monday, December 4th, 2023**, will be a holiday on account of the UAE National Day (2nd, 3rd & 4th December). This year marks the **52nd UAE National Day**. It is not only a day of national pride for Emiratis but also for our diverse expatriate community who consider the UAE as their second home.

Wishing all of you a very happy **UAE National Day**.

Thank you.

Warm regards,
