Update on Kindergarten survey on Extended timing

Dear parents,

We would like to thank you for your active participation in providing feedback on our proposal to extend the timings for kindergarten students in the upcoming academic year 2024-25. Please note that the survey link has now been closed.

Based on the consolidated feedback from the survey, we have decided not to proceed with the extension of timings for kindergarten students. The current timings will remain unchanged, and Kindergarten students will continue to disperse at their regular timings.

Your input has been invaluable in helping us understand the preferences and concerns of our parent community.

Thank you for your cooperation and understanding.

Warm regards,

Asha Alexander
