Seasonal Influenza Awareness Guide 2023-24

Dear parents,

The School Health Section - Dubai Health Authority has shared a comprehensive Seasonal Influenza Awareness Guide 2023-24, and we highly encourage you to take the time to read through this important resource.

This guide provides comprehensive information about seasonal influenza, the virus causing it, the importance of vaccination as an effective preventive measure against this disease, and also highlights the available services to assist you in preventing and treating influenza.

To access the **Seasonal Influenza Awareness Guide 2023-24**, please [click here](#). We urge you to read this guide attentively, as it contains information that can safeguard your child's health and contribute to a healthier school environment.

We appreciate your cooperation in prioritizing the health and well-being of our students. By staying informed and taking proactive measures, we can collectively minimize the impact of seasonal influenza within our school community.

Thank you for your attention and commitment to the health and safety of our students.

Warm regards,
