SCOPE 2023 and Climate Conference

Dear Parents,

We would like to inform you that GEMS Legacy School will be hosting the 4th edition of the School Conference of Parties Exposition (SCOPE) and a Climate Conference on the 5th and 6th of December 2023 at the GEMS Legacy School Middle School Campus. In reference to the above, 5th December will be a non-instructional day only for the students of Grades 6, 7 and 8 to facilitate the event in the GLS Middle School Campus. It will be a regular working day on the 6th of December.

SCOPE

SCOPE 2023 aspires to provide a platform for student agency and student voice in support of Climate Action. The School Conference of Parties Exposition promises to be a collaborative space for students of all ages to learn from each other as they exchange ideas and opinions. This year we welcome 20 local and international schools who will be participating in SCOPE. Please find the agenda [SCOPE-2023-Agenda](#)

Climate Conference

Climate Conference 2023, themed "SustainXchange: Dialogues for a Resilient Planet" serves as a platform for meaningful panel discussions and presentations, aiming to foster a dialogue focused on education for sustainability development and building climate resilience in children. The conference seeks to facilitate exchanges of knowledge, insights, and perspectives, providing a forum for participants to contribute to the ongoing dialogue surrounding climate-related challenges and opportunities. Please find the agenda [Climate-Conference-2023-AGENDA](#)

Thank you for your support and cooperation.

Warm regards,

Asha Alexander
