Online Learning on 13th February 2024

Dear Parents,

Considering the incessant rains since late evening today and the subsequent waterlogging in and around the school premises, we have extended the online learning provision for one more day on **13th February, Tuesday.**

This decision has been taken keeping in mind the safety of the large number of young students in our school.

Please ensure that your child logs in to Phoenix Classroom to access the meeting schedules for online lessons as per the Tuesday Timetable. Please do reach out to the class teacher or the Supervisor in case you have any difficulty logging in or accessing the meeting links.

Thank you for your support and understanding.

Warm regards,
