CIRCULAR
Mufti Day

07th March 2024

Dear parents,

We are excited to announce that GLS will be hosting a **Mufti Day** Dress Up event on **Tuesday, the 12th of March 2024** to raise funds for a charitable cause in collaboration with Dubai Cares as part of our philanthropic initiative, *All for Altruism*.

Mufti Day presents an opportunity for our students to express their creativity and individuality through their attire, while also contributing to a meaningful cause. We urge every child to participate by dressing up in their favourite outfits on the designated day.

To partake in this event and support the charitable endeavour, we seek donations of **5 AED** each from all our students (KG-Grade 8) through the parent portal. The payment portal will close by **11th March 2024**. Please [click here](#) for the steps for payment. The entirety of the proceeds collected from this event will be directed towards Dubai Cares for their 'Student for Student Initiative.' Through this noble initiative, Dubai Cares will provide school kits to underprivileged students across the UAE.

The event serves not only as a means of fundraising but also as a valuable lesson in empathy, compassion, and social responsibility for our students. By being part of initiatives like these, we instil in our children the importance of giving back to the community and making a positive difference in the lives of others.

We encourage parents to engage with their children in selecting their outfits for Mufti Day, fostering a sense of enthusiasm and involvement in this humanitarian enterprise.

We greatly appreciate your support and cooperation in making the Mufti Day a successful and impactful event. Let us make a difference in the lives of those in need.

Warm regards,

Asha Alexander
