**CIRCULAR**  
**Kindergarten Orientation**

19<sup>th</sup> March 2024

Dear Parents,

Welcome to the Gems Legacy School!

We are thrilled to have your child and you join us for the upcoming academic year 2024-25.

Our kindergarten orientation program is designed to introduce both you and your child to our school environment, policies, curriculum and procedures. We understand that it can be both exciting and overwhelming, and we are here to support you every way.

We encourage both parents to attend the orientation session to ensure that you are well-informed and prepared for the upcoming school year. This is also a great opportunity for your child to become familiar with their new surroundings and meet their teachers and classmates.

We look forward to meeting you and your child and embarking on this exciting educational journey together.
