CIRCULAR
Parent Orientation Grade 1 & 2

19th March 2024

Dear parents,

As we begin with the new academic year, we have scheduled a virtual Parent Teacher Orientation for Grades 1 and 2 on **25th March 2024, Monday**. You will receive an email from the class teacher with further details regarding the link and time slot by 23rd March. The aim of this interface is to give you an opportunity to meet the class teacher who will give you an overview of the curriculum, teaching and learning approaches that will be followed in the course of the new academic year. You are free to meet the class teacher in person with a prior appointment after the EID break.

We will be hosting an additional face-to-face orientation programme for all parents of newly admitted students in the first week of April.

Looking forward to your continued support throughout this new academic year!

Warm regards,

Asha Alexander
