CIRCULAR
Parent Orientation Grades 3 to 5

22nd March 2024

Dear parents,

As we embark on the new academic year, we have arranged a virtual Parent Teacher Orientation for parents of **Grades 3 to 5** on **Tuesday, 2nd April 2024**. Your child's class teacher will email you further details regarding the meeting link and your designated time slot closer to the orientation date.

This platform aims to provide you with the opportunity to connect with the class teacher, who will offer an overview of the curriculum, teaching methodologies, and learning strategies that will be implemented throughout the academic year. You are welcome to schedule an in-person meeting (face-to-face) with the class teacher after the EID break, with prior appointment.

Furthermore, we will be conducting a face-to-face orientation program for parents of newly enrolled students on **Monday, 1st April 2024**. This session will take place in the **Auditorium** at the **Primary School campus** from **11:00 a.m. to 12:30 p.m.**

We eagerly anticipate your continued support and involvement throughout the upcoming academic year.

Warm regards,

Asha Alexander
