KHDA Approved Fee Increase for Academic Year 2024-25 at GEMS Legacy School, Dubai

Dear parents,

I trust this message finds you and your families well.

I am writing to inform you about an important update regarding tuition fees for the upcoming academic year. Following the recent announcement from the education regulator (KHDA), there will be an approved increase in tuition fees across all private schools in the emirate depending on inspection performance.

In compliance with this directive and given our recent positive inspection, GEMS LEGACY SCHOOL will be implementing a fee adjustment for the 2024-25 academic year. This adjustment will apply to all grades and will come into effect from the beginning of the academic term. Below, you will find a breakdown of the current academic year fees and the corresponding fees for the 2024-25 academic year:

Grade	2023-2024	2024-2025	Increase

As always, our commitment remains steadfast in providing the very highest standards of teaching and learning for our students, which largely rely on your fees to fund.

Additionally, I would like to highlight some positive findings from our latest regulator inspection:

- *The school's curriculum is meticulously aligned with the CBSE framework, ensuring a seamless progression in students' learning journeys. It offers a diverse range of enrichment activities and effectively caters to students with varying abilities.*
- *Students' achievements in most subjects during the middle phase are attributed to the implementation of effective teaching methodologies.*
- *The school excels in fostering students' personal and social development, as well as their environmental consciousness.*
- *There is robust support for students' health, safety, and overall personal development.*
- *The school has forged strong partnerships with parents and demonstrates adept management of its operations.*
- *Progression in National Agenda tests is judged to be outstanding in English, Mathematics and Science.*
- *Leaders at all levels show a strong commitment to ensuring the well-being of the whole school community.*
- *Students demonstrate exceptional attitudes towards school and learning. They are actively engaged, self-disciplined, and receptive to feedback from teachers. Moreover, they cultivate respectful and caring relationships, thereby fostering a positive learning environment. Additionally, students prioritize maintaining a safe and healthy lifestyle. They possess a deep understanding of Islamic values and UAE culture, particularly in the primary and middle phases. Furthermore, they actively participate in national events, embrace cultural diversity, and contribute to initiatives promoting sustainability and innovation.*

GLS Addition of Facilities:

The campus houses various specialized facilities such as the Immersive Room, Radio and Broadcasting Room, and a dedicated pottery room. Additionally, the Secondary campus offers an extra fully stocked library and art room for student utilization. Moreover, the school features state-of-the-art ICT labs, with a particular focus on Robotics and Artificial Intelligence technology.

Lastly, I would like to remind you of the various savings opportunities available through our GEMS Rewards programme. Whether it's earning GEMS Points on student referrals via the GEMS Ambassador Programme, benefits from the GEMS FAB Titanium Credit Card, discounts on various experiences, or redeemable GEMS Points against school tuition, bus fees and uniforms, we encourage you to take advantage of these benefits designed exclusively to support and reward our parents.

Thank you for your continued trust in us to deliver the top-quality education and care your children deserve.

Warm regards,

Asha Alexander
