Online Learning on 16th April 2024

Dear Parents,

In light of the anticipated adverse weather conditions forecast across much of the UAE tomorrow (Tuesday 16 April) and in line with advice from the relevant authorities, GEMS Legacy school will switch to remote learning for the day.

As ever, our priority is the safety of our entire school community and moving to remote learning is the most responsible course of action given the exceptional circumstances.

Some points to note :

- Remote learning will commence at the usual start time tomorrow morning at 7:30 a.m.
- Please ensure that your child logs in to Phoenix Classroom at 7:30 a.m. tomorrow, where the online meetings will be scheduled by all subject teachers as per the Tuesday Timetable.
- Should you have any questions or concerns regarding remote learning, please don't hesitate to reach out to your child's teachers, the concerned Supervisor or the school administration.

Thank you for your understanding and cooperation as we navigate these challenging circumstances together. We will continue to keep you updated with any further developments or changes.

Stay safe and take care.

Warm regards,

Asha Alexander
