**17 April 2024**

**GLS to continue with remote learning for the rest of the week**

---

Dear Parents,

After a thorough review of our school facilities and the surrounding infrastructure following the exceptional weather conditions that have disrupted the entire UAE over the past 36 hours, GEMS Legacy School will continue with remote learning for the rest of this week (Thursday - Friday, 18-19 April).

As ever, this decision is made with the safety and wellbeing of our students as our ultimate priority and with the full approval of the relevant authorities, and we wanted to let you know as soon as possible to give you maximum time to plan accordingly.

Thank you for your much-appreciated support and understanding this week. We will continue to keep you updated with any further developments and, in the meantime, hope you are all safe and well during these very challenging times.

Warm regards,

**Asha Alexander**
