CIRCULAR
Remote Learning 2-3 May 2024

01 May 2024

Dear Parents,

GEMS Legacy School will be switching to remote learning again tomorrow and Friday (2-3 May) in line with guidance last night from the relevant authorities with more adverse weather forecast on those days across much of the UAE.

We would ask you to observe the same protocol as advised last month, with the following measures in place:

- Remote learning will commence at the usual start time tomorrow and on Friday morning.
- Teachers will provide instructions and resources via our usual online learning platforms. Please ensure your child has access to the necessary technology and resources for remote learning.
- Should you have any questions or concerns regarding remote learning, please don't hesitate to reach out to your child's teachers or the school leadership.

Thank you for your understanding and cooperation. As before, we will continue to keep you updated with any further developments or changes.

Please stay safe and take care.

Warm regards,

Asha Alexander
