## GLS Inter-House Competition

---

Dear Parents,

We're thrilled to share some exciting news with you! Starting from this academic year, GEMS Legacy School will be hosting Inter-House competitions. These events are designed to provide our students with a platform to showcase their talents, boost their self-esteem, and foster social skills through healthy competition. We believe that participation in these competitions will not only encourage students to explore their interests but also uncover hidden talents they may not have had the chance to discover before. Additionally, it serves as an avenue for students to represent their houses and forge lasting bonds with their peers. Moreover, these competitions will serve as a pathway for students to join the school team, where they can further hone their skills and proudly represent GEMS Legacy School in various interschool competitions.

We're excited about the opportunities these Inter-House competitions will bring to our school community and look forward to your support in making them a resounding success.
