Achieve 3000 Reading Challenge

Dear parents,

As part of our Right to Read program, we are excited to launch the **Achieve 3000 Reading Challenge** for students in Grades 3-9, running from 7th June to 23rd July 2024. Over these seven weeks, students will receive articles from the Achieve 3000 library every Monday and Tuesday. **The goal is to read as many articles as possible, aiming for a 75% success rate.**

The top 5 readers from each grade who *achieve* this success rate will be recognized and celebrated for their dedication to reading.

Keep reading during the summer break as well to challenge yourself by pushing your Lexile scores up and expanding your comprehension, vocabulary and speed in reading. Let's embark on this journey to expand our knowledge and love for reading!

Warm regards,
