**Reggio Inspired Exhibition – Foundation Stage (KG1 – Grade 2)**

Dear Parents,

We are excited to announce our upcoming Reggio-inspired exhibition for the foundation stage. Themed 'FINtastic Friends and Feathery Friends,' this exhibition invites you to explore the captivating worlds of aquatic life and avian wonders. By celebrating the diverse and interconnected marvels of nature, we encourage exploration and appreciation of life beneath water and the beauty of birds in the sky. This exhibition supports Sustainable Development Goals #14 – Life Below Water and #15 – Life on Land, aiming to foster a deep appreciation for our planet's diverse ecosystems.

The Reggio Emilia approach to early childhood education empowers our young learners to express themselves in creative ways. Our students have eagerly embraced the themes 'FINtastic Friends' and 'Feathery Friends,' inspired by provocations and situational experiences, resulting in a vibrant display of their creative work.

The exhibition will coincide with a parent-teacher meeting, which will be a non-instructional working day for students. This will allow you to attend the exhibition with your child and meet the class teachers to discuss progress. Specific time slots will be sent by your child's class teachers.

Below are the scheduled dates to view the exhibition in the school auditorium and parent – teacher meeting:

Grade	Date	Venue	Timings
KG 1	24 <sup>th</sup> June 2024	Auditorium, GLS Primary Campus	8:15 am – 12:30 pm
KG 2	25 <sup>th</sup> June 2024	Auditorium, GLS Primary Campus	8:15 am – 12:30 pm
Grade 1 & 2	27 <sup>th</sup> June 2024	Auditorium, GLS Primary Campus	8:15 am – 12:30 pm

We warmly invite all parents to witness the creative expressions of our students. Your presence will celebrate and support their curiosity and creativity. We look forward to sharing this enriching experience with you.

Warm regards,

**Asha Alexander**  
**Principal**  
**Executive Leader - Climate Change**
