**GLS -Emirates Nature–WWF- Leaders of Change Program
(Grade 4 to Grade 9)**

Dear Parents,

GEMS Legacy School is proud to collaborate with Emirates Nature–WWF on their Leaders of Change program. Emirates Nature–WWF is a leading non-profit environmental organization committed to conservation and sustainability. Established in 2001 under the honorary patronage of H.H. Sheikh Hamdan bin Zayed Al Nahyan, the organization works to protect the UAE's natural heritage and inspire positive environmental action across the nation.

This partnership aligns with our school's commitment to environmental awareness, empowering teachers and students to become responsible global citizens while deepening their understanding of sustainability and conservation. As part of this initiative, 15 teachers from our school are actively participating in the program, contributing to meaningful environmental efforts and fostering a culture of sustainability within our community.

Now it's time for our students and parents to join this movement!

By becoming part of the Leaders of Change program, you will have the opportunity to engage in impactful environmental projects, take meaningful action for sustainability, and contribute to a greener future. The initiative includes both online and in-person sessions across various landscapes in different Emirates, offering exciting experiences such as hiking, kayaking, and wildlife exploration.

Participants who actively engage in the program will receive an official certificate from Emirates Nature–WWF, recognizing their commitment to environmental conservation and sustainability. If you love adventure and have a passion for nature, this is your chance to make a real difference!

- To access detailed information on the same topic, please go through attached flyer -[FLYER GLS -Emirates Nature–WWF- Leaders of Change Program](#). If you're unable to access the link, please find the newsletter attached.
- Kindly complete the form to express your interest: <https://forms.office.com/r/3gkjvZ3uj0>

Please note: All costs, including transportation, must be directly managed by the student and/or parents. STSS will not be accessible to parents and students participating in these excursions or events.

For payment details and for any other queries, please contact Ms. Pratima, Education Supervisor, at: pratima.v_gls@gemsedu.com

Together, let's shape a more sustainable future and protect our planet!

Warm regards,

Asha Alexander آشا ألكسندر
