GLS Secondary New Campus

Dear Parents,

I am delighted to inform you that our long-planned campus move for our secondary section has now been given full approval by the relevant authorities.

The move will apply to all children in Grades 6 and 7, meaning these students will be returning to school at our new secondary site in nearby Al Garhoud ([GEMS Legacy School – Primary Location Map](#), [GEMS Legacy School- Secondary Location Map](#)) for the start of the new academic year from 4 April 2022.

The new site will allow us plenty of scope to develop and increase the size of our secondary section in the future, while helping us alleviate the immediate pressure for space at GEMS Legacy School's current much-loved site where KG1-Grade 5 students will continue to be educated.

We will continue to keep you up to date with all developments as GLS continues its exciting journey as a through school, but we wanted to let you know about this important news as soon as we were able, so you can make your transport plans in good time.

We will notify you of the dates when you will be able to take a school tour of the new campus.

Meantime, should you have any queries, please do not hesitate to contact us at aswathy.s1_gls@gemsedu.com

Warm regards,

Asha Alexander
