SILVERZONE INTERNATIONAL OLYMPIAD – GRADE 1 TO GRADE 10

Dear Parents,

At GLS, we always aim at providing the best platforms for our students to help them enrich their knowledge and skills. SilverZone International Olympiad is one such thing that will be beneficial for our students. It allows students to check their mettle both on National and International scales. We therefore encourage our students to make good use of the opportunity provided. Please find below details of the same.

SilverZone Foundation is committed to the cause of inspiring and popularizing the study of different subjects among the students. For the last 20 years, SilverZone has organized and conducted International Olympiads in different subjects, focusing on CBSE/ICSE and other State Board' syllabus, to assess and enhance the student's academic level with international standards.

Students who are interested in participating in any of the Olympiad Exams can register their name by completing the payment on **Phoenix portal**. **Please note that the last date for registration is 25th June 2025.** Kindly note that payments after the date will not be accepted as the Exam Study Material must be sourced and provided to the students.

The exams will be held in November/ December 2025. The exact date will be notified closer to the exams.

Examination Fees: 40 AED per subject (Olympiad). Students can register for more than one subject.

Cost of the Excellence Guide (Study Material): 60 AED per subject.

**** The Excellence Guide is optional and will have to be paid for separately. The guide is a comprehensive resource providing students with conceptual and in-depth analysis of each of the topics along with Past Year's Solved Papers.**

We look forward to our students making the most of this opportunity to participate in the Olympiad. Thank you for your continued encouragement and support.

Warm regards,
